Third Sector Research

Third Sector Research

To mark the 20th Anniversary of *Voluntas: International Journal of Voluntary and Nonprofit Organizations* the editor has compiled a comprehensive overview of contemporary debates in third sector scholarship, comprised of all original research by leaders in the field. The volume will offer a critical review of the central and innovative themes that have come to form the core of third sector debate and research with an international focus.

The first global compendium of third sector research, this volume provides a international, multi-disciplinary, and state-of-the-art overview of the field. The contributions not only examine and review the existing scholarship, but introduce new perspectives and thinking on the third sector—especially in terms of future implications around the world.

Topics covered include:

- History and Development of the Field
- New Trends in Volunteering and Philanthropy
- Volunteering and Participation in Developing Countries
- Leadership and Governance
- Corporate Responsibility
- Social Capital
- Global Civil Society

This seminal volume provides a broad and comprehensive look at the field of Third Sector Research, of primary interest to researchers in political science, sociology, development studies, and nonprofit leadership programs.
