JORGE ASIS

## **Hombre de gris: La novela de la política Argentina (Spanish Edition) JORGE ASIS**

Este libro representa no solo el regreso de Jorge Asís a la novela política, sino que también inaugura una trilogía que continuará con «Tulipanes salvajes en agua de rosas» y «Casa casta».

Con su inigualable capacidad para el retrato, la descripción furiosa y la metáfora urticante, el autor de «Flores robadas en los jardines de Quilmes» cuenta la historia del gobernador Arredondo y su círculo de participantes de vueltos, operadores políticos y mediáticos, todoterrenos, un cuñado, un caído en desgracia que quiso ser presidente, cretinos que calumnian, peronistas estructurales, radicales perennes, obstinados menemistas transformados en graves consumidores de anchoas en el desierto, ex mujeres y progresistas de digestión tardía, entre otros protagonistas de esta gran aventura.

El Hombre de Gris ha nacido en una provincia que podría haber sido La Rioja, Formosa, Jujuy o Santa Cruz, pero se llama San Patricio. De allí saldrá el hombre que debe salvar a la Argentina.

Observador certero y narrador astuto, Jorge Asís demuestra una vez más con esta novela que es uno de los autores más notables de la narrativa argentina actual.
