Hunting the Huntress Ember Case

Nilana has one night to make the choice of a lifetime: Accept the love of two men, or keep hunting—alone.

No man has ever tempted Nilana to give up her freedom. Life as a huntress has given this shapeshifter everything she thought she could ever want. But one look at the warrior and the shaman who have come to run the Harvest Hunt has her questioning her own decision.

Tate and Cheveyo have ridden far across the plains, drawn by dreams of the woman they are sure will unite their tribe. They just never thought they'd have to convince their fantasy woman that they are the future she has never considered.

They have one night to convince the huntress that becoming the hunted can lead to a beginning, not the end of all she holds dear.
