Life-Span Devevelopment and Behavior: Volume 10 (Life-Span Development and Behavior Series)

This serial publication continues to review life-span research and theory in the behavioral and social sciences, particularly work done by psychologists and sociologists conducting programmatic research on current problems and refining theoretical positions. Each volume introduces excellent peer-reviewed empirical research into the field of life-span development while presenting interdisciplinary viewpoints on the topic. Often challenging accepted theories, this series is of great interest to developmental, personality, and social psychologists.
