Tom Morello

Orchid #1 Tom Morello

From the mind of musician Tom Morello (Rage Against the Machine, Audioslave, The Nightwatchman) with art by Scott Hepburn (Star Wars: Knights of the Old Republic), Orchid is the tale of a teenage prostitute who learns that she is more than the role society has imposed upon her. When the seas rose, genetic codes were smashed. Now, human settlements are ringed by a dense wilderness, from which ferocious new animal species prey on the helpless. The high ground belongs to the rich and powerful, who overlook swampland shantytowns from their fortresslike cities. Iron-fisted rule ensures order and allows the wealthy to harvest the poor as slaves. Welcome to the world of Orchid. Each issue will be promoted with a new song by Tom Morello from Rage Against the Machine!
