Lost Biloxi Edmond Boudreaux

Biloxi's beaches and casinos make the city a haven for Gulf Coast tourists. And since it's one of America's oldest communities, local residents have seen many iconic treasures come and go. Before Hurricane Katrina, more than 150 historical structures dotted the area. Of those, 60 were lost to the devastating storm, including the Father Ryan House, built in the early 1840s. In 1969, Hurricane Camille flattened the Baldwin Wood Lighthouse. Other structures like Biloxi City Hall on Main Street faded away with the passage of time, having stood resolute for decades. Author Edmond Boudreaux recalls Biloxi's most significant and cherished landmarks.
