Averroes, Ibrahim Najjar

Faith and Reason in Islam: Averroes' Exposition of Religious Arguments (Great Islamic Writings)

Averroes, Ibrahim Najjar

The first translation available in English of a key work by the twelfth-century Muslim philosopher Averroes, which reveals his controversial views about reason, religion, and humankind's relationship with God.

Suitable both for scholars and interested readers, this unique text proves that today's disputes between religion, reason, and science are far from a new phenomenon.
