## **How the Church Fails Businesspeople (And What Can Be Done About It)** John C. Knapp

Why do so many Christians struggle to relate their faith to their daily work? In this book John C. Knapp argues that the church's ambiguous teachings about vocation, money, and business have long contributed to Christians' uncertainty about discipleship in the workplace. Drawing on his own expertise in business ethics and numerous interviews with Christians in diverse occupations, Knapp offers a new theological framework for Christian life in the world of business.
