Pull Yourself Together

Thomas Glavinic

Pull Yourself Together Thomas Glavinic

“If you’re feeling happy, just wait. There’s bound to be a downside.”

These are just a few of the words Charlie Colostrum lives by, and he’s seen enough downsides to know what he’s talking about (losing his virginity the same day as the *Challenger* disaster really sets the tone).

A fat slacker with bad skin, Charlie carefully crafts his image, sometimes draping a black cloak over his shoulders and donning a black hat (though he knows smoking a pipe would be overdoing it). He nonchalantly leaves a few books by Nietzsche on the table when friends drop by (though he prefers to read self-help manuals). The jobless, self-proclaimed wimp lives off the kindness—and financial contributions—of his family and spends his time compiling lists of personal rules, daydreaming about becoming a rock star, and scheming his way into bed with as many women as possible (though he’s unable to emotionally connect with anyone).

This satire from one of Austria’s most celebrated contemporary novelists shows that life may not be exactly what you dreamed, but you’ve just got to keep on stumbling.

From reader reviews:

Carol Berry:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each reserve has different aim or maybe goal; it means that e-book has different type. Some people experience enjoy to spend their the perfect time to read a book. They may be reading whatever they consider because their hobby is definitely reading a book. How about the person who don't like reading a book? Sometime, man feel need book once they found difficult problem as well as exercise. Well, probably you should have this Pull Yourself Together.

Charles Powers:

What do you concentrate on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great and important the book Pull Yourself Together. All type of book is it possible to see on many methods. You can look for the internet solutions or other social media.

Dana Richardson:

What do you about book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this Pull Yourself Together to read.

Jamie Durbin:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is prepared or printed or created from each source in which filled update of news. On this modern era like today, many ways to get information are available for you actually. From media social such as newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just trying to find the Pull Yourself Together when you essential it?
