Sulle spalle delle donne (Italian Edition) Normanna Albertini

Il prete, i venditori ambulanti, qualche emigrato nelle città che tornava per le vacanze erano gli unici canali attraverso cui la nuova lingua arrivava a noi bambini dei piccoli paesi di campagna.

Insieme alla radio che, in quel periodo, ogni famiglia aveva provveduto ad inserire tra i pochi arredi delle cucine.

Era stato tutto uno squarciare di pareti (far dei buchi nei muri a sacco delle case vecchie implicava provocare voragini...) per infilarci delle mensole su cui poggiare la radio, anzi: l' "aradio", sostantivo maschile che iniziava per vocale.

Così, l' "aradio" andava a fare compagnia all'asse attaccata sopra al lavandino a cui erano appesi i secchi dell'acqua potabile, alla stufa dal piano con i cerchi di ghisa (la cucina economica smaltata di bianco, con quella scritta illeggibile in tedesco che era la marca), alla panca di legno.
