I was lusting after Claire's husband... But little did I know that he felt the same way about ME!

Who knew that Claire's husband had secret lusts he kept on the down low?

My colleague Claire had been flirting with me for months - but she was barking up the wrong tree. I'm only interested in men.

And one man in particular caught my attention - her handsome husband, Mark.

For what seemed like forever, I thought Mark could be nothing more than a lustful fantasy. After all, he's married to one of my best friends, right?

But one night, when I was staying over at their house, I was woken up in the middle of the night by a figure under the covers, and sweetly sucking lips and tongue bringing me to the brink of climax.

Mark, it turned out, had desires that Claire didn't know about - and he'd secretly joined me in my bed to make them a reality. As he brought me to an earth-shattering climax, I rolled over to offer myself to him, in turn...

Husband on the Down Low is an incredibly erotic tale of a straight husband revealing his secret gay desires, and finishes with a hot, dripping, bareback climax. Enjoy!
