The Cold Calling Phil Rickman

When DI Bobby Maiden is revived in hospital after temporarily dying in a hit and run incident, his memories are of a cold, harsh place he never wants to revisit... memories that mean Maiden may be the only person who can reach The Green Man, a serial murderer the police don't even know exists... a predator who returns to stone circles, burial mounds and ancient churches in the belief that he's defending Britain's sacred heritage.

Originally published under the pseudonym Will Kingdom, The Cold Calling has long been one of crime fiction's best-kept secrets - finally available on Kindle.

Praise for The Cold Calling:

'The clever plot combines crime thriller with the supernatural without ever diminishing either. A major discovery.' -- The Times

'Consistently impressive. Part Wicker Man, part trad-whomdunnit, part tough gangster thriller. A real find.' -- Crime Time.
