[Siren Classic ManLove: Erotic Alternative Fantasy Romance, M/M, angels, light bondage, HEA]

Paranormal reporter Terry Reeves is given an impossible task by his boss—hunt down angelic vigilante Aiden and get an interview, or look for another job. It's an almost impossible task since the man is rarely spotted and has never consented to an interview in the past. Terry gets lucky, though, when snooping around an alley that Aiden was sighted in the day before. The angel swoops to his rescue and saves his life, and Terry thanks him with a trip back to his place and a night neither of them will forget in a hurry. As their relationship progresses, though, Terry starts to have second thoughts about his motives. Will he be able to reveal his true purpose for hunting Aiden, and what will the angel's reaction be when he finds out that he's been lied to from the start? ** A Siren Erotic Romance
