Prosecuting War Crimes: Lessons and legacies of the International Criminal Tribunal for the former Yugoslavia (Contemporary Security Studies)

Prosecuting War Crimes: Lessons and legacies of the International Criminal Tribunal for the former Yugoslavia (Contemporary Security Studies)

This volume examines the legacy of the International Criminal Tribunal for the former Yugoslavia (ICTY), which was created under Chapter VII of the UN Charter as a mechanism explicitly aimed at the restoration and maintenance of international peace and security.

As the ICTY has now entered its twentieth year, this volume reflects on the record and practices of the Tribunal. Since it was established, it has had enormous impact on the procedural, jurisprudential and institutional development of international criminal law, as well as the international criminal justice project. This will be its international legacy, but its legacy in the region where the crimes under its jurisdiction took place is less clear; research has shown that reactions to the ICTY have been mixed among the communities most affected by its work. Bringing together a range of key thinkers in the field, *Prosecuting War Crimes* explores these findings and discusses why many feel that the ICTY has failed to fully engage with people's experiences and meet their expectations.

This book will be of much interest to students of war crimes, international criminal law, Central and East European politics, human rights, and peace and conflict studies.
