God's people need to hear "a word from the Lord," to know their God is with them, and to transcend this world and be taken to the very feet of Jesus. The preacher is charged with assisting in this mission. While there may be different theological perspectives and different methods of sermon preparation and delivery, one thing remains constant—the need for quality preaching resources.

Drawing upon the rich and powerful tradition of the black church, *The Abingdon African American Preaching Library* offers a wealth of thoughtful, biblically grounded preaching aids, including special days in the Black Church tradition.
