Vamos Lá Então Perceber as Mulheres. Mas Só Um Bocadinho... (Portuguese Edition) Marta Gautier

**Mais um livro imperdível, fresco, atrevido e arrepiantemente esclarecedor da psicóloga Marta Gautier, autora de best-sellers como *Não há famílias perfeitas* e *Gosto de ti assim*.**

Descubra se precisa de comprar este livro, respondendo ao questionário abaixo com:

SIM, NÃO ou DEPENDE

- As mulheres valorizam o diálogo franco e directo com os homens?
- Por trás da decisão de um homem está sempre uma mulher?
- Quando as mulheres dizem “Está tudo bem”, na verdade querem dizer que está tudo mal?
- dia do nascimento de um filho é o dia mais feliz da vida de uma mulher?
- As mulheres são todas iguais?

Se respondeu “Depende” a alguma das questões, é imperioso que compre este livro, pois não faz ideia do que se passa com as mulheres. Se respondeu “Sim” ou “Não”, também, porque é impossível que saiba tudo sobre o universo feminino, deliciosamente complexo e pouco dado a simplificações e verdades absolutas.

Se é homem, vai, finalmente, poder perceber como são as mulheres (mas só um bocadinho...). Se é mulher, talvez conclua, com sensação de triunfo, que as mulheres são todas únicas (mas muito parecidas umas com as outras).
