A Criminal with Ethics Humberto Contreras

It is the year 2078, and criminals run our civilization. Those with more exploit those with less. It is an exploitation chain where winner takes all. A few families hoard all the wealth, the remainder are destitute drug addicts. Under these conditions, Ben Delanei is a criminal and a businessman. He started from nothing, now is extremely successful and that means many things: unlimited wealth, unrestrained murders and any girl he wants are the perks. Danger, internal ethical conflicts and treacherous enemies are the terrible consequences. He is alone and dissatisfied. He has everything. He has won and he is alone. Mireya, an unwilling gang leader, even more hardened than he is, finds him. She falls in love with his money and power. He falls in love with her decisiveness, courage and sculptural body. This is the story of their opportunistic love, which transcends crime, violence and jealousies.
