## **El delito de corrupción deportiva (Spanish Edition)** Emilio Cortés Bechiarelli

La trascendente reforma del Código penal derivada de la Ley Orgánica 5/2010 introduce una Sección dedicada a la corrupción entre particulares en los términos sugeridos por la Unión Europea. Aprovechando esta coyuntura, el legislador español supera los márgenes del mandato comunitario y sanciona penalmente aquellas conductas fraudulentas cuya finalidad es la alteración o predeterminación de los resultados deportivos de las competiciones profesionales. La presente monografía analiza de forma crítica el tipo penal de corrupción deportiva, cifrando su bien jurídico protegido en el fair play, lo que constituye a juicio del autor el principal error estructural de una figura penal cuya razón de ser debiera haber sido la tutela de los consumidores en relación con aquellos sobornos que persiguen los fraudes en el creciente mundo de las apuestas deportivas, fundamentalmente a través de la red. La obra -partiendo de los criterios que suministran los tradicionales delitos de cohecho- estudia con detenimiento las principales posiciones del derecho comparado en la materia, así como los antecedentes de la infracción y sus elementos objetivo y subjetivo. Por último, se dedica un Capítulo a los aspectos procesales derivados de su vigencia.
