**She found a demon.**

**Her life will never be the same.**

Alexis is a psychic who never believed in demons until she came face to face with pure evil. This is her true story of spiritual warfare with a terrifying entity so powerful it turned her life upside down and put her in mortal danger.

The nightmare begins shortly after Alexis and her husband relocate to a small lakeside community. After hearing rumors about the nearby Matthews residence, Alexis investigates the nineteenth-century house and its spirit inhabitants. She soon finds herself caught in a demon's snare of violent fury—isolating her from her family, attacking her in the one place she thinks she is safe, and staining her very soul.
