William Donati

Ida Lupino: A Biography William Donati

"Ida Lupino (1918-1995) was more than a gorgeous image of film noir in the forties and fifties who starred in classics such as *They Drive By Night*, *High Sierra*, and *Road House*. Lupino also evolved into one of Hollywood's earliest female directors whose work was described by Martin Scorsese as ""resilient, with a remarkable empathy for the fragile and heartbroken."" William Donati chronicles the dramatic life of one of Hollywood's most prolific, substantive, and innovative artists, both behind and in front of the camera."
