**La otra lepra (Spanish Edition)** Chufu Lloréns

***La otra lepra* es la historia de dos familias en la segunda mitad del siglo XX, un fresco histórico lleno de claroscuros, una indagación en los rincones del corazón humano, en los límites del odio y el sufrimiento.**

Corren los años sesenta, una década no tan alegre como a veces se ha querido pintar. En el País Vasco y Murcia, dos mujeres pierden a sus maridos a manos del mismo criminal. La primera se llama Engracia; la segunda, Consuelo.

Veinte años después, dos jóvenes se conocen en Madrid. Esteban es el hijo de Engracia, ha dejado el seminario y se ha mudado a la capital para estudiar en la universidad. Carmelo es el hijo de Consuelo, y deja atrás Murcia con la intención de triunfar en el mundo del *music-hall*. Carmelo tiene muy asumida su condición de homosexual y apoya a Esteban cuando reconoce la suya, en una relación de amistad que termina en romance.

Sin embargo, una extraña enfermedad hostiga la década de los ochenta: el sida. La tragedia golpea de nuevo a las dos familias al descubrir Carmelo que tanto él como Esteban son seropositivos. Los caminos de Consuelo y Engracia se cruzarán entonces, descubrirán también el vínculo ominoso que las une y deberán ajustar cuentas con el dolor del pasado y el presente.

## **Reseña:**

«Páginas sencillas, atropelladas y heroicas como la vida misma, también intuitivas, zigzagueantes y temerosas como la vida misma.»

Camilo José Cela
