The Key to Music's Genetics: Why Music is Part of Being Human (Anthem Cosmopolis Writings)

Christian Lehman, Christian Lehmann

Christian Lehmann brings his experience as a musicologist, singer and academic to this fascinating journey through the origins of music and its role in human development, culture and society. Few books on music are as rewarding as this one. Technical terms are clearly described in a way that appeals to both the musically well-informed and the musically inexperienced. Well-chosen examples and amusing asides help to make this a highly informative and extremely readable book - a must for anyone interested in the development of music and how integral it is to the human condition.
