Discipleship in the Methodist tradition affirms that there is always more work for God to do in the human heart. A Disciple's Heart attempts to reclaim and, in a sense, reinterpret for today John Wesley's understanding of this transformation of the heart, which he called "Christian perfection," with the goal of equipping participants to continue to grow into the likeness of God's love in Christ.

Designed to be used in a small group and, if desired, a congregation-wide emphasis, the Leader Guide equips group facilitators with tips for leading a group plus six ready-to-use session guides. An Online Toolkit of downloadable leader helps, such as sample e-mails, handouts, sermon outlines, images for promotion, and customizable media templates that can be modified for any congregation, are accessible with the purchase of the Leader Guide.
