Borderland Churches: A Congregation's Introduction to Missional Living (TCP Leadership Series)

Rev. Dr. Gary Nelson

Borderland Churches is a call to embrace the pluralistic, post Christian and postmodern culture with a sense of opportunity and hope. The author uses the image of the church crossing over into an "in-between time", a place where faith is lived outside the walls of the church engaging the community in incarnational ways. To live in that "precarious but exhilarating place where faith and other faiths and no faith meet." Only individuals and congregations that accept this new reality will be able to carry on Christian ministry in this new cultural situation.

A TCP Leadership Series title.
