Core Management for HR Students and Practitioners Peter Winfield, Ray Bishop, Keith Porter

This is the second edition of the successful text published in 2000. The text continues to include self-assessment exercises, exam questions, further reading and research and uses short case studies and articles to relate theory to practice. The new edition is completely up-dated with more extracts from Personnel Today and linked in to a website provided by the authors. The book provides excellent coverage of the CIPD syllabus for three core areas of the CIPD syllabus, Managing People, Managing Activities and Managing a business context. New end of chapter website links are included.
