Sex. Rebellion. Rock and roll.

Living After Midnight, Book 1

Cheyenne is a half-human incubus whose star is on the rise in the Unakite City rock scene. His father, the leader of the supernatural races, would prefer he keep a “low profile”, but screw that. Cheyenne has as much music in his veins as royal incubi blood.

Alexander’s future is all set—finish law school, join the family firm, and marry someone who’d be good for business. Not that he has a say in any of it. He’s barely met the woman his father expects him to marry.

As Cheyenne’s musical career takes off, his carefully constructed life begins to unravel, exacerbated by an ex-lover who can’t let go, a crotchety barkeeper with a dirty mind and a pure heart, a drag queen who moonlights as a nanny, and Alexander—who’s not sure if he’s falling for the incubus or the rocker.

Cheyenne denies who he is, while Alexander hides what he wants. Together, they learn that getting what they truly want means being who they truly are.

Warning: Contains hot were-tiger sex, a Thanksgiving celebration that makes the Inquisition look like a tea party, and an incubus who’ll rock your world.
