## **The Professor's Puzzle: Teaching in Christian Academics** Michael S. Lawson

*The Professor's Puzzle* is designed as a handbook for new and aspiring professors to help them transition from the independent research of their doctoral program to classroom teaching. Unfortunately, acquiring a Ph.D. often does not involve real preparation for teaching. One cannot assume that mastering content necessarily means one is qualified to teach it.

Drawing from years of experience training young faculty members, professor Michael S. Lawson gathers together the best of educational research and practices, leavened with the yeast of Christian theology, so that readers are equipped to put the “teaching puzzle” together. Ideal for aspiring professors in Christian higher education, as well as all who enter the teaching profession, so they may learn artful teaching and careful administration.
