Don't let his cool demeanor fool you, Jake King's life has been a long, haunted existence. His father died when he was six, his mother is incarcerated at a mental health facility, he's just lost his job as a journalist and he's crossed paths with the local mob. Of course, this is only the beginning, as Jake soon begins seeing the wandering, translucent spirits of the streets of Providence crying out for his help. Worse yet, there is a stalking shadow that has been killing people around him. If Jake doesn't discover what this revenge spirit wants and how to stop it, he could wind up in the obituaries. Even if he survives this spirit and the mob hit, he must contend with the screaming headaches, a shady mentor figure, and unknown beings from beyond the veil that threaten our world. Revenant is a Horror/Urban Fantasy novel set in H.P. Lovecraft's city of Providence.
