Bow-wow Wow! (The Cheetah Girls Book 14) Deborah Gregory

It's only been four weeks since Chanel's ballet accident put her on crutches, but for a Cheetah Girl, a month without dancing feels like an eternity. When she finally ditches the cast, she has trouble getting up to speed. The Cheetahs are further than ever from landing a record deal, but Chanel's friends don't seem to care about anything besides their new puppies. Worst of all, Chanel gained some weight while she was off her feet, and she feels like she doesn't fit in with the other Cheetahs.

As the group gets ready to get back in the studio, Chanel goes on an all-carrot diet in hopes of shedding those pesky pounds. But when dizzy spells start striking her on the street, Chanel begins to wonder if carrots are enough to sustain a hungry Cheetah.
