Poison in the Blood (Bad Witch: The Emily Chronicles) Robyn Bachar

She is honey to his throat...but one sweet taste could part them forever...

Bad Witch: The Emily Chronicles, Book 2

Banished from home while her husband adjusts to life as an immortal, blood-drinking chronicler, Emily Black is homesick, heartsick and struggling under the constant sensory barrage of a city drenched in ancient magic. When an old friend asks for her aid in solving a string of murders, she welcomes the distraction, despite the danger.

Justine Dubois is grateful for a seer's help, and more understanding than anyone of Emily's plight. As a guardian, Justine commands respect; as a woman, her magic is considered inferior. Together, they are determined to prove their worth to London's magicians, starting with solving these murders—with maybe a bit of matchmaking on the side.

Long before he met his soul mate, Michael Black made a commitment to join the Order of St. Jerome. He will live forever, forced to watch the woman he loves age and die. As Emily hunts the murderer, Michael struggles to protect her. But if he loses control of his hunger, the greatest threat to her safety could be Michael himself.

Warning: Contains tortured soul mates, scheming faeries, vampire debauchery, deadly parasols, illicit blood-drinker relations, and adorable plot moppets.
