Ricky's Adventures Rick S. Decker

I guess we never can tell about some of the things we do in life and how they will affect other people later on...I guess that's why it's so important to always try to do the right thing in life, huh, Ricky? Ricky lives life in 'the middle.' In the middle of his brothers. In the middle of the city and country life. And in the middle of every new adventure just waiting right around the corner. Beginning with the discovery of the artesian well near his parents' home to unearthing pirate booty and the secret family history that has been buried for decades, follow Ricky down the hot-sand sidewalks of 1969 Florida to the best places 'in all the world'. With the help of his camouflaged G.I. Joe survival watch, Ricky will transport you to a different time; a time with Peggy's Popcorn, the 'cowboy life' in Texas, road trips, and bicycling to new places in hopes of discovering the unknown. Learn about life in the middle during Ricky's Adventures!
