Plus-size Rebecca is on a jaunt to another world. She had hopes of finding herself a nice, sweet shifter like her sister, but somehow she ended up attracted to the big, fiery dragon. A dragon who isn't looking for love. If only he didn't have eyes that made her want to take her panties off and a body that sent her hormones into a frenzy, life would be a lot easier. Vikter Dragos is dying. His dragon couldn't find a mate and he's at the end of his time. He's fighting the attraction for a sassy, curvy human, but it's near impossible to stay away from her. If only she'd been his mate, everything would be smoother. He's losing control of his dragon and his emotions. With Becca around, he didn't know what to expect. Becca's in constant confusion over Vikter's hot and cold attitude. One moment he's kissing her like the world's going to end, and the next he's warning her away from getting attached. Figuring out how to scale this dragon might take more patience than she's got. When competition arises and Vikter sees another wants Becca, he'll face his feelings or risk losing her forever.
