Ahoy, Money!: How to Chart Your Course to Genuine Financial Freedom Paul Lemon

Paul wrote "Ahoy, Money!" to offer genuine financial freedom to anyone who is willing to honestly look at money and their life. It appeals especially to those who are worried about not having enough to retire or live out the 'American Dream.' What makes "Ahoy, Money!" unique is that it offers an entirely new paradigm or way of seeing money, along with practical guidance as to how to implement this new philosophy. The book truly teaches people how to give money their "attention" rather than their "energy." A few lines from the back cover: "Identify and break free of old money patterns; Discover a new, refreshing way to manage all ten aspects of your personal finances; Assess your overall financial condition; Calculate exactly what you need to save to retire comfortably; Find lasting relief from stress and anxiety over money issues."
