A cool rocker chick like Kiki should have a date every night. Luckily, she's discovered Boy Shopping!

Kiki is tired of being treated like one of the guys. An awesome drummer with a kickin' sense of style, the boys in her high school are always checking her out, but the only ones actually asking her out are her band's lame-o groupies. That's when she hits an online dating gold mine of boys where every click of the mouse allows you--the reader--to choose Kiki's dates.

Lyman is an über-fine classical pianist and DJ who likes playing with minds as much as music. Joshua the jock speaks Mandarin and teaches English on the side, but he's got plenty of time for playin' the game. Jacob is a Terrence Howard look-alike with an online profile that leaves a little too much to the imagination. And Michael's sexy brown looks would turn any girl's head. And most surprising of all: Mark, the bassist in Kiki's band. . .talk about tight rhythm sections!

With all this attention, Kiki is having the time of her life. Does she really have to choose just one?

An outrageously fun novel that lets you pick Kiki's Mr. Right. Choosing your own adventure has never been so sexy.
