Gypsies bestowed the curse. A sadistic man unleashed its power.

Gioia Vita, at thirty-four, is not living the joyous life her cultural name might suggest. Haunted by an abusive past and tormented by the harsh illustrations of a cynical world she struggles to bury her secrets and find serenity in her life. Plagued by a glitch in her vision, she perceives colors and mystical imagery surrounding people that warn her of their intrinsic nature. With a fear of old world superstitions implanted into her from an early age, Gioia finds herself believing in these enchantments. Especially now, that she is seeing these... colors.

The desire for adventure in her sheltered life prevails when an acquaintance invites her back into the subculture of her rebellious youth. Her vision helps her navigate this tumultuous world few get to experience, the world of 1%ers. An enclave of brothers, bearing colors that reject normal society. She unexpectedly finds the warm colors of family, friends and a new love. Braden Davies restores passion in her heart, but can an outlaw from a chaotic underground culture heal her wounds? First, they must conquer the manipulative adversary that haunts them, unearth long buried family secrets, and learn that sometimes a curse can really be a gift.
