Negative Blue: Selected Later Poems

Charles Wright

Negative Blue: Selected Later Poems Charles Wright

Negative Blue is the culmination of the cycle that won Wright the Pulitzer Prize and National Book Critics Circle Award.

*Time will append us like suit coats left out overnight
On a deck chair, loose change dead weight in the right pocket,
Silk handkerchief limp with dew,
sleeves in a slow dance with the wind.
And love will kill us--
Love, and the winds from under the earth
that grind us to grain-out.
--from "Still Life with Spring and Time to Burn"*

When Charles Wright published *Appalachia* in 1998, it marked the completion of a nine-volume project, of which James Longenbach wrote in the *Boston Review*, "Charles Wright's trilogy of trilogies--call it 'The Appalachian Book of the Dead'--is sure to be counted among the great long poems of the century."

The first two of those trilogies were collected in *Country Music* (1982) and *The World of the Ten Thousand Things* (1990). Here Wright adds to his third trilogy (*Chickamauga* [1995], *Black Zodiac* [1997], and *Appalachia* [1998]) a section of new poems that suggest new directions in the work of this sensuous, spirit-haunted poet.
