Teaching the Historical Jesus: Issues and Exegesis (Routledge Studies in Religion)

Teaching the Historical Jesus in his Jewish context to students of varied religious backgrounds presents instructors with not only challenges, but also opportunities to sustain interfaith dialogue and foster mutual understanding and respect. This new collection explores these challenges and opportunities, gathering together experiential lessons drawn from teaching Jesus in a wide variety of settings—from the public, secular two- or four-year college, to the Jesuit university, to the Rabbinic school or seminary, to the orthodox, religious Israeli university. A diverse group of Jewish and Christian scholars reflect on their own classroom experiences and explicate crucial issues for teaching Jesus in a way that encourages students at every level to enter into an encounter with the Hebrew Scriptures and the New Testament without paternalism, parochialism, or prejudice. This volume is a valuable resource for instructors and graduate students interested in an interfaith approach in the classroom, and provides practical case studies for scholars working on Jewish-Christian relations.
