Tiffany Shade

Louis Daniel Brodsky

Tiffany Shade Louis Daniel Brodsky

Tiffany Shade explores the poetic nature of life's routines. With his detailed, imagistic depiction of both daily activities (making business trips, living in a small Midwestern town, settling into married life) and mystical events (contemplating imminent parenthood, celebrating holidays and birthdays), Brodsky restores the love, humor, beauty, wonder, and appreciation for living so often overlooked in the rush of day-to-day existence, exulting in "sweet seasons of deep youth" even as he feels his own daydreams "gather fuzzy dust."
